

ROECSSG Spring Symposium At-A-Glance		"Using Data to Drive Innovation in Radiation Oncology Education"		5/5/2023
Time	Title	Speaker	Institution	Format
8:30-9:30 AM	Coffee, Tea, Breakfast, and Networking			
9:30 AM Chicago/CDT - SYMPOSIUM START				
9:30-9:40 AM	INTRODUCTORY REMARKS	Rachel Jimenez	Massachusetts General Hospital	
9:40-10:15 AM	SESSION 1 - UGME 1	Moderator: Yasmin Hasan	University of Chicago	
9:40-9:51 AM	Assessment of Research Mentorship during Medical School for Future Radiation Oncology Trainees	Marisa Palmeri	Rutgers New Jersey Medical School	Virtual
9:51-10:02 AM	Scientific Writing in Radiation Oncology: Development and Implementation of a Virtual Elective Module for Medical Students	Lukas Käsmann	LMU University Hospital, Munich, Germany	Virtual
10:02-10:13 AM	Evaluating the Utility of Webinars Discussing the Radiation Oncology Residency Application Process in the COVID-19 Era	Niema Razavian	Wake Forest University School of Medicine	Virtual
10:15-10:20	BREAK			
10:20-11:25 AM	SESSION 2 - GME 1	Moderator: Chelsea Pinnix	MD Anderson	
10:20-10:31 PM	Contouring Workshops - The Beneficial Impact on Radiation Oncology Specialist Training in Ireland	Guhan Rangaswamy	St. Luke's Radiation Oncology Network, Dublin, Ireland	Virtual
10:31-10:42 AM	Tailored Mentorship for the Underrepresented & Allies in Radiation Oncology: The ARRO Equity and Inclusion Subcommittee Mentorship Experience	Anjali Saripalli	Loyola University Medical Center	Virtual
10:42-10:50 AM	Radiation Oncology Resident Leadership Course: Does Integrating Communication Skill Development with Real Donors Lead to Effective Presentations? (Quick Pitch)	Sylvia Choo	University of South Florida Morsani College of Medicine	In-person
10:50-10:58 AM	Methods of Analyzing eContour's Engagement: Interrupted Time Series Analysis Versus Pre/Post Analysis (Quick Pitch)	Leah D'Souza and Lakshmi Narra	Rush University Medical Center	In-person
10:58-11:05 AM	Financial Leadership Skills Training: Can a Hybrid Didactic/Interactive Exercise Model Fill a Gap in Graduate Medical Education? (Quick Pitch)	Kara Madey	University of South Florida Morsani College of Medicine	Virtual
11:05-11:13 AM	The Impact of Updated ACGME Program Requirements for Radiation Oncology Residencies (Quick Pitch)	Olivia Trumble	University of Florida College of Medicine	In-person
11:15-11:25 AM	BREAKOUT ROOMS TO DISCUSS QUICK PITCHES			
11:25-11:30 AM	BREAK			
11:30-12:05 PM	SESSION 3 - Patient Education	Moderator: James Randall	Northwestern University	
11:30-11:41 AM	Oncology Patient Education and Student Education Program	James Alin	Medical College of Georgia	In-person
11:41-11:52 AM	Radiation Oncology Providers' Practices and Preferences for Delivering Patient Education on Radiation Therapy: A Mixed Methods Study	Jie Jane Chen	University of California, San Francisco	In-person

11:52-12:03 PM	Communicating the External Beam Radiotherapy Experience (CEBRE) Discussion Guides: Real World Implementation and Evaluation	Alicia Haydon	The University of Chicago	In-person
12:05-1:00 PM	LUNCH In-person: networking over lunch Virtual: Zoom breakout rooms			
1:00-1:40 PM	SESSION 4 - Interprofessional Education	Moderator: Anamaria Yeung	University of Florida	
1:00-1:11 PM	A Single Site Pilot Project Examining Radiation Oncology Nursing Education Needs and Nursing Confidence	John Hillson	Duke University	In-person
1:11-1:22 PM	Large-Scale Remote Training for Medical Physicists to Improve IMRT/VMAT in LMICs	Caroline Carlson	Rayos Contra Center, San Francisco, CA	In-person
1:22-1:33 PM	Multi-Institutional Expansion of a Longitudinal Radiation Oncology Curriculum for Medical Assistants and Allied Health Professionals (OnC MAP)	Horatio Thomas	University of California, San Francisco	Virtual
1:40 PM	REPORT FROM ARRO	Kelsey Corrigan	MD Anderson	Virtual
1:45 PM	REPORT FROM ADROP	Rachel Jimenez	Massachusetts General Hospital	In-person
1:50-2:00 PM	BREAK			
2:00-2:40 PM	SESSION 5 - GME 2	Moderator: Jie Jane Chen	University of California, San Francisco	
2:00-2:11 PM	Radiation Treatment Plan Evaluation: An Educational Tool for Radiation Oncology Trainees	Naba Ali	Winship Cancer Institute at Emory University	Virtual
2:11-2:22 PM	Maintaining High Quality Dosimetry Education in Radiation Oncology Medical Residency Amid and Post-COVID-19 Pandemic: A Reimagined Training Rotation	Ashley Hunzeker	Mayo Clinic	Virtual
2:22-2:33 PM	The Practice Accreditation Resident Reviewer Program (PARRP): A National Program to Educate Residents About Radiation Oncology Practice Accreditation Through Mentored Chart Review	Niema Razavian	Wake Forest University School of Medicine	Virtual
2:40-3:00 PM	BREAK			
3:00-4:00 PM	KEYNOTE SPEAKER	Brian George	University of Michigan	In-person
4:00-4:50 PM	SESSION 6 - UGME 2	Moderator: Kiran Kumar	UT Southwestern	
4:05-4:16 PM	Implementation of an Interactive Radiation Oncology Clinical Rotation for Medical Students	Neil Wallace	Cork University Hospital, Ireland	Virtual
4:16-4:24 PM	National Value-Based Healthcare Competition for Medical Students (Quick Pitch)	James Alin	Medical College of Georgia	In-person
4:24-4:32 PM	Beyond the Standard Student Interest Group: An Opportunity for Early Shadowing Experiences and Mentorship in Radiation Oncology (Quick Pitch)	Catherine Sport	Virginia Commonwealth University School of Medicine	Virtual

4:32-4:40 PM	Exploring Radiation Oncology Representation on the National Board of Medical Examiners (NBME) Official Practice Material for the Undergraduate United States National Standardized Medical Board Examinations (Quick Pitch)	Mary Mahoney	Norton College of Medicine, SUNY Upstate Medical University	In-person
4:40-4:50 PM	BREAKOUT ROOMS TO DISCUSS QUICK PITCHES			
4:50-5:25 PM	SESSION 7 - GME 3	Moderator: Leah D'Souza	Rush University	
4:50-5:01 PM	Attitudes and Perceptions of the REFLECT Communication Curriculum for Clinical Oncology Graduate Medical Education	Brady Laughlin	Mayo Clinic Arizona	In-person
5:01-5:12 PM	A Pilot Study of a Virtual Interactive Radiation Oncology-Specific Residents-As-Teachers Curriculum: Preliminary Results	Lisa Ni	University of California San Francisco	Virtual
5:12-5:23 PM	Race to the Summit: Impact of a Social Media-Based Exercise Competition on Physician Physical, Psychological, and Emotional Well-Being	Alexis Schutz	University of Oklahoma Health Science Center	In-person
5:25 PM	CLOSING REMARKS	Rachel Jimenez	Massachusetts General Hospital	
5:30 PM - ????	DINNER, DRINKS, AND POST-SYMPOSIUM NETWORKING AT JIMMY'S WOODLAWN TAP - 1172 E 55TH ST (walking distance from symposium)
