Announcements

#ASTRO23 ROECSG Meet-Up: What better than a chance to connect in person with other ROECSG members at #ASTRO23 on Tuesday Oct 3 at 10:30am at the Digital Poster Hall Lounge at the center of poster displays (see map).

We’re an OFFICIAL 501(c)(3) now!

Recently ROECSG successfully achieved 501(c)(3) status. Please help contribute to ROECSG’s efforts to support radiation oncology MedEd initiatives with a donation and/or a paid membership. More info at: https://roecsg.org/membership/ Thank you so much!
Don’t Miss at #ASTRO23 / ICYMI #ROECSG23

#ASTRO23 is around the corner. Don’t miss the #MedEd sessions. Here are a few highlights:

- **Sunday Oct 1 at 4:45pm in Room 8:** QP 02 - Prof Dev/Med Ed + PRO/QoL: Patient and Professional Centered Research

- **Monday Oct 2 at 8am in Room 2:** Panel 05 - ASTRO/SWRO Joint Session - Getting It All Done - Practical Strategies at All Career Stages

- **Monday Oct 2 at 10:30am in Room 31:** EDU 09 - Developing as an Early Career Physician

ICYMI (In Case You Missed It): A few highlights from the #ROECSG23 Spring Symposium

The symposium featured keynote speaker **Dr. Brian George**, an expert in educational quality improvement. Learn more about Dr. George as well as the SIMPL education science collaborative that he runs by clicking the links: Dr. George’s Bio: medicine.umich.edu/dept/chop/brian-george-md-ma

More information about the SIMPL Collaborative: [https://www.simpl.org/](https://www.simpl.org/)

Additional links to download the symposium program pdf including abstracts that were presented are available on the ROEC SG website and accessible at this direct link: [https://roecsg.org/wp-content/uploads/2023/04/ROECSG-2023-Spring-Symposium-Program.pdf](https://roecsg.org/wp-content/uploads/2023/04/ROECSG-2023-Spring-Symposium-Program.pdf)

Opportunities for Getting Involved

ROEC SG encourages active participation in our collaborative study group. We have a number of established Working Groups to allow for even more engagement from our members. If you are interested in learning more about opportunities for getting involved with ROEC SG and joining one of our Working Groups, please feel free to reach out to us anytime at: [https://roecsg.org/contact](https://roecsg.org/contact). Make sure to also follow us on “X” (@roecsg)! Click ->
Spotlight on a new #PatientEd project

Dr. Leah D’Souza was awarded an ACRO Luther Brady Educational Grant and used this funding to create a new patient education resource called C-HLPER (Cancer Health Literacy Patient Education Resources). These brochures (available in both English and Spanish) are designed to help facilitate communication with patients at the time of consultation, and are intended to be used by a multi-disciplinary team. These brochures were created by Dr. D’Souza and her team and also received input and feedback from the Patient Education Working Group. Click on the link below to learn more about this exciting project (now featured on the official ROECSG website as well)!

https://roecsg.org/c-hlper/

Recent #RadOnc #MedEd Publications

Here is a contemporaneous list of recent RadOnc MedEd publications, organized by theme. Lots of exciting work in this space! These publications are also featured on the ROECSG website at: roecsg.org/references. If you would like your publication featured in the next ROECSG Report, please email the citation to: info@roecsg.org. Thank you!
